Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included into the audit report under the provisions of the Act and the rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143 (10) of the Act. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of risks of material misstatements of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

Annexure II

Independent Auditor's report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the standalone financial statements of **Vikas Road Carriers** (the Company) as of and for the year ended 31 March 2017, we have audited the internal financial controls over financial reporting (IFCoFR) of the company of as of that date.

Management's Responsibility for Internal Financial Controls

The Company's Board of Directors is responsible for establishing and maintaining internal financial controls based on the criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the company's business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's IFCoFR based on our audit. We conducted our audit in accordance with the Standards on Auditing, issued by the Institute of Chartered Accountants of India (ICAI) and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of IFCoFR, and the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the

ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate IFCoFR were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the IFCoFR and their operating effectiveness. Our audit of IFCoFR included obtaining an understanding of IFCoFR, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's IFCoFR.

Meaning of Internal Financial Controls over Financial Reporting

A company's IFCoFR is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles.

A company's IFCoFR includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

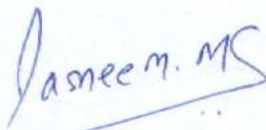

Because of the inherent limitations of IFCoFR, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the IFCoFR to future periods

are subject to the risk that IFCoFR may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, adequate internal financial controls over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2017, based on the criteria being established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

VIKAS ROAD CARRIERS LIMITED

CIN : U00732DL1995PLC137678

I. Notes forming Part of Financial Statement for the period ended March 31, 2017

A. Background

The Company was incorporated as a Public Limited Company on May 31, 1995 and is primarily engaged in the business of Freight Contractors, carriage and Freight Agents, Fleet Owners in respect of goods, luggage and freight by road.

These financial statements pertain to the period April 1, 2016 to March 31, 2017 and April 1, 2015 to March 31, 2016 and have been prepared pursuant to the requirements of the Companies Act, 2013.

B. SIGNIFICANT ACCOUNTING POLICIES

a. Basis of preparation of financial statement

The financial statements of the Company are prepared in accordance with generally accepted accounting principles in India ('Indian GAAP') to comply with the Accounting standards specified under Section 133 of the Companies Act, 2013, read with rule 7 of the Companies (Accounts) Rules, 2014, (as amended) and the relevant provisions of Companies Act, 2013. The financial statements have been prepared on an accrual basis and under the historical cost convention.

b. Use of Estimates

The preparation of financial statements in conformity with Indian GAAP requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

c. Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured and there exist reasonable certainty of its recovery. Revenue in respect of freight income is

recognized on mercantile basis. Service Income is recognized as per the terms of contracts with customers when the related services are performed.

Dividend Income is recognized when the unconditional right to receive the income is established. Income from interest on deposits, Loan and Interest bearing Securities is recognized on the time proportionate method.

Revenue in respect of Insurance and other claims is recognized when no significant uncertainty exists with regard to the amount to be realized.

d. Tangible Assets

Fixed assets are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. Cost comprises purchase price and directly attributable cost of bringing the asset to its working condition for the intended use. Direct costs relating to trucks are capitalized until the trucks are ready to put to use. These costs include cost of chassis, cabin, containers, frame, tools and accessories. Borrowing costs directly attributable to acquisition or construction of those fixed assets, which necessarily take a substantial period of time to get ready for their intended use, is capitalized. The fixed assets include a motor car of Rs. 4,64,728- and a motor bike of Rs. 44,820/- purchased in the earlier years in the name of one of the directors. The said assets are used exclusively for the purpose of business.

e. Depreciation and amortization

Depreciation on fixed assets is provided on the written down value method (WDV Method) based on the useful life of various assets, as specified in Schedule II of the Companies Act, 2013. Fixed assets individually costing Rs. 5,000/- or less are debited to Profit and Loss Account in the year of acquisition.

f. Borrowing Cost

- i) Borrowing cost attributable to acquisition and / or construction of qualifying assets are capitalized as cost of assets up to the date when such asset is ready for its intended use.
- ii) Borrowing cost on working capital is charged to Profit & Loss Account.

g. Investments

Long-term investments are carried at cost less any other-than-temporary diminution in value, determined separately for each individual investment. Current investments are

carried at the lower of cost or fair value. The comparison of cost and fair value is done separately in respect of each category of investment.

h. Inventories

Inventories consist of consumables items and are valued at its acquisition cost.

i. Employee Benefits

Contribution payable to the recognized Provident Fund and Employees' State Insurance Corporation in respect of few employee are accounted on accrual basis and charged to the Profit & loss Account for the year.

The company has made contribution to the Group Gratuity Scheme of LIC in respect of few employees of the company.

j. Foreign currency transactions and balances

Foreign currency transactions, if any, are recorded using the exchange rates prevailing on the dates of the respective transactions. Exchange differences arising on foreign currency transactions settled during the year are recognized in the Statement of Profit and Loss except that exchange differences related to acquisition of fixed assets are adjusted in the carrying amount of the related fixed assets.

Monetary assets and liabilities denominated in foreign currencies as at the Balance Sheet date not covered by forward exchange contracts are translated at year-end rates. The resultant exchange differences (except those related to acquisition of fixed assets) are recognized in the Statement of Profit and Loss.

Forward contracts if any, are entered into to hedge currency risk of the underlying outstanding at the Balance Sheet date. The premium or discount on all such contracts arising at the inception of each contract is amortized as expense or income over the life of the contract. The exchange differences on such a forward exchange contract is the difference between (i) the foreign currency amount of the contract translated at the exchange rate on the reporting date, or the settlement date where the transaction is settled during the reporting period and (ii) the same foreign currency amount translated at the latter of the date of inception of the forward exchange contract or the last reporting date. Any profit or loss arising on cancellation or renewal of such a forward exchange contract is recognized as income or expense for the period.

k. Income Tax Expense

Tax expense comprises of current and deferred tax and includes any adjustments related to past periods in current and / or deferred tax provisions that may become necessary due to certain developments or reviews during the relevant period. Current income-tax is measured at the amount expected to be paid to the tax authorities in accordance with the Indian Income Tax Act, 1961.

Deferred income taxes, if any, reflect the impact of current year's timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years. Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date. Deferred tax assets are recognized only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. The carrying amount of deferred tax assets are reviewed at each Balance Sheet date. The Company writes-down the carrying amount of a deferred tax asset to the extent that it is no longer reasonably certain that sufficient future taxable income will be available against which deferred tax asset can be realized. Any such write-down is reversed to the extent that it becomes reasonably certain that sufficient future taxable income will be available.

l. Earning per share

Basic earnings and Diluted earnings per share are calculated by dividing, the net profit or loss for the year attributable to equity shareholders, by the weighted average number of equity shares outstanding during the year.

Particulars	Current Year (in Rs.)	Previous Year (in Rs.)
Earnings:		
Net Profit after Tax	1,35,39,681	69,89,230
No. of Shares:		
Weighted average number of equity shares outstanding at the end of the year	50,45,925	50,45,925
Basic Earnings per share (in Rs.)	2.68	1.39
Weighted average number of equity shares outstanding at the end of the year	50,45,925	50,45,925
Diluted Earnings per share (in Rs.)	2.68	1.39

m. Provisions and Contingent liabilities and Contingent Assets

A provision is recognized when the Company has a present obligation as a result of past events, and it is probable that an outflow of resources embodying economic benefit will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates. A contingent liability is disclosed, unless the possibility of an outflow of resources embodying the economic benefit is remote. A Contingent asset is neither recognized nor disclosed in the financial statements.

n. Impairment of assets

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the company estimates the asset's recoverable amount. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

o. Cash Flow Statement

The Cash Flow Statement is prepared in accordance with indirect method as explained in the Accounting Standard on Cash Flow Statement (AS – 3) issued by the Institute of Chartered Accountants of India.

Cash and bank Balances that have insignificant risk of change in value including Margin Money, Term Deposits which have original maturity upto three months, are included in cash and cash equivalents in the Cash Flow Statements.

p. Leases

Assets acquired on lease where significant portion of the risk and rewards incidental to ownership are retained by the lessor are classified as operating leases. Lease rental under operating Lease are recognized in the profit and loss account on straight – line- basis.
